# Cherryberry & Raspyberry strawberries

Although named Cherryberry and Raspyberry, these are two tasty varieties of strawberries.

## Raspyberry

- Height of 10-30 cm (8-12”).
- Red flesh fruit with a sweet raspberry flavour.
- Also know as ‘Framberry’.
- Ideal for eating fresh, in desserts, jams, frozen or preserved.
- Hardy to Zone 3.

## Cherryberry

- Height of 10-30 cm (8-12”).
- Rich tasting and strong aroma.
- Very dark fruit.
- Ideal for eating fresh, in desserts, jams, frozen or preserved.
- Hardy to Zone 3.
